

# Marche and Abruzzo:

## Abbeys, medieval towns and historical villages

Famous abbeys, ancient villages and historical monuments will act as the setting for an authentic "plunge into history" where age-old medieval crafts, such as lace-making, will be revealed. This tour through the southern part of the Marche starts from Ascoli Piceno and arrives in the splendid medieval town of Lanciano, in the heart of the Abruzzo region, all accompanied by opportunities to taste typical local products, but leaving free time for shopping and a little relaxation too.
